## DESCRIPTION

Estivale Duo features a kitchen that is remarkably functional for a boat of this size with:

- A large fridge
- Hob and oven
- TV
- Radio / CD player / mp3 player
- 220V socket

The design and layout of the boat provides panoramic views at all times. The ground level rear deck offers a bridge living space perfect for dining alfresco and a sliding sun awning to provide a shady retreat if needed. A second steering position, swimming ladder and deck shower are also on the Duo, as they are on all boats within the Estivale range.

Most of our bases offer a WiFi service that will allow you to connect multiple devices simultaneously. Subject to the quality of network coverage. This varies by region.
