Portugal is one of Europe's oldest extant nations, an ancient kingdom defended by hilltop castles and dramatic walled towns. Immerse yourself in a world of charm and experience the captivating landscapes Portugal has to offer. Famed worldwide for their hospitality, the Portuguese will embrace you and make you feel like one of their own. Be taken on a discovery through the capital city, whilst wandering through the narrow lanes of the backstreets. By the end of this you will be an expert full of knowledge of Portugal; their traditions, culture and history.

Your package features the following:

Porto city tour with visit to the cellars

Tour of Lamego - Nestled among the terraced slopes of the Douro valley port wine-growing region, and overlooked by an ornate shrine, the town of Lamego is elegant and infused with Baroque style with so much more to uncover.

Nowadays, the town of Castelo Rodrigo still keeps its medieval outlines, surrounded by imposing walls which remind us of the identity of its history, often divided between both sides of the border. Discover it on our Tour to Castelo Rodrigo.

Tour to Salamanca with lunch and Flamenco show - The Carthaginians first conquered this city in the 3rd century B.C. and is the home of one of Europe's oldest universities. The city's historic centre has important Romanesque, Gothic, Moorish, Renaissance, and Baroque monuments. The Plaza Mayor, with its galleries and arcades, is particularly impressive.

Tour to Mateus Palace and Gardens - Built in the first half of the 18C and betraying the finishing touches of Nicolau Nasoni, this palace set in beautiful gardens on a vast farm is considered to be one of the finest examples of baroque civil architecture in Portugal.

Visit to Quinta da Aveleda, one of the best wine producing estates in the Vinho verde region (lunch included).
